

Name: Wong Tsz Ching, Queenie

Class: 4A

My Diary

24th September, 2015

Monday

Sunny and hot

Today I went to school. It was good to play basketball, play with toys and chat with my friends. We played basketball on the school playground with my classmates in the PE lesson.

After school, I played with my toys, and chatted with my mother.

Then, I did housework and watched TV. It was a fun day today.
