### An Accient

17<sup>th</sup>March,2016

An accident happened at lunchtime today!

In the lunch time, I was drinking cola. I saw Johnny holding a big bowl of salad and going down the staircase. Then, Carrie was running upstairs.

Johnny was holding the salad and going down the staircase. He bumped into Carrie when he was going down the staircase. She was sitting on the ground. The salad spilled everywhere. Carrie felt hurt and sad. She felt scared .

Johnny said, 'I'm so sorry, Carrie.'

She went to the medical room. The teacher took care of Carrie. Johnny made a new salad again.
