

Name: Wong Wing Sze, Jenny

Class: 6A

Ocean Park

The weather was hot and sunny. I was at Ocean Park with Sally and Jack. We wanted to watch the dolphin show and go on the roller coaster.

The students felt hot and thirsty, so I went into the queue. Jack wanted to go to the toilet and Sally went to buy the water.

Next, we went to the water ride. Then, Jack and Sally were not tall enough. So, the person at the ride said, we could not go on the ride.

After that, we went to see the sea animals. They felt excited and saw a lot of sea animals. We went home by ferry and bus.

When we got home, we all felt tired but happy. We enjoyed our trip and had a wonderful day. We shared our happiness with our parents. We all hope we can go there again in the future.
