Book Report

Book title: Good Friend

Author: Lucita White

Main characters: Three Little Pigs, Snow White

Summary of story:

There are Snow White and three little pigs. They all live in the forest, so they are good friends. One day, Snow White goes out and wants to pick some apples and give it to the three little pigs. Then she climbs the tree, but the tree is too high, so she is afraid. After that, the three little pigs see it and bring out a cloth. One of the pigs climbs up the tree to save Snow White. Two of the pigs put a cloth on the apple. Finally they have a great time in the forest.

How I feel about the book:

I like the ending of the story because it is funny to read. They have a great time in the forest.
