A picnic to Sai Kung Country Park

16th December, 2014

Tuesday

Windy

Today, I went to Sai Kung Country Park with my classmates and teachers. I took the school bus to the country park. The weather was windy and cold. I felt excited. Suddenly, the school bus broke down on the way to the park. Then, the school bus driver called the school bus company to send another bus for us. We waited for the new school bus for 45 minutes. We felt delighted because we played games and talked loudly on the bus. Finally, the new school bus came. We continued to go to the park. We felt relieved and relaxed.

After a while, we arrived at the park. First, I went to the skating rink to do roller skating. I played with my classmates. Then, I went to the cafe to have lunch. I had vegetable pasta there. The cake and apple juice were yummy too. At the end, I went to the sea shore. It was fun to see the crabs and fish. I liked my school picnic because it helped me build team working skills.
