

## My dream job

Cheng Cheuk Yin

I am Clooney Cheng. I am eleven years old. I am now a Primary Six student. When I grow up, I want to be a teacher because I like children very much. I also think that to be a teacher is very exciting and challenging.

When I become a teacher, I will teach students at school. I will design interesting lessons for my students. I know I cannot be a teacher unless I study hard. So from now on, I will pay attention in class. I will read different kinds of books. I will put more effort and spend more time on my studies.
