Dear Jimmy,

How are you getting on? How did you celebrate Christmas in Canada?

Before Christmas Day, my mother bought a big Christmas tree. We decorated the tree colorfully and beautifully. On Christmas Day, we went to Tsim Sha Tsui to watch the Christmas lights. We were excited. We also had a Christmas party at home. We prepared a lot of yummy food such as pudding, chicken wings, a big turkey, etc. We sang Christmas songs together. We enjoyed the party so much. We also exchanged presents. I was so lucky to get a big teddy bear. It was cute.

Please write soon. Take care!

From,

Rachel
