A Trip to Hong Kong

Dear Chris,

How are you?

I'm so happy that you're coming to Hong Kong soon. There are many famous places in Hong Kong. If you like doing sightseeing, you should go to the Peak. You can go sightseeing and take photos there. You can see the nice view of Victoria Harbour.

You can also go to the Big Buddha too. You can ride on cable cars and enjoy the vegetable dishes there.

You can go shopping in Mong Kok. You can eat some special snacks such as fishballs and meatballs there.

You can go to Ocean Park to watch the dolphin show. The dolphins are interesting. You can ride on cable cars and buy souvenirs there.

I hope you will enjoy your stay.

Love,
John
