

6A Yu Ming Yan, Mary

Myself

My name is Yu Ming Yan, Mary. I am eleven years old. I am a girl. I live in Aberdeen. I live with Uncle and Aunt. I have four family members.

I study at Island Road Government Primary school. I am in class 6A. I go to school on foot. Helen is my best friend in my class. She is friendly. My favourite teacher is Miss Ko. She teaches me English. She is kind, helpful, patient and serious. I like English because it is full of fun. I am good at writing and speaking English. I like reading English books. They are interesting.

I like reading and riding bicycles in my spare time. I read my favourite books every day. I like reading with my younger sister too. I like riding a bicycle every Monday with my elder brother. It is exciting.

My dream job is to be a teacher when I grow up. Teachers teach children. I need to work hard if I want to be a teacher. I know I can't be a teacher unless I like children and study harder. Teachers work in schools. They are patient and kind. Teaching children is a rewarding and challenging job.
